

On Wednesday, April 19, PVS elects a new slate of officers. Concerning the election of Club officers, Section III of the PVS By-Laws reads as follows:

Paragraph B: "The President and the Executive Committee shall be elected by a majority vote of the active membership present and voting at the annual meeting."

Paragraph D: "In the first election of the Club, three Executive Committee members will be elected for a one year term and three members will be elected for a two year term. In subsequent elections, three members will be elected for a term of two years."

At the PVS March meeting the Nominating Committee reported that its nominee for President was Brooke Armat who now is Treasurer and Executive Committee member. Brooke is one of the Club's founding fathers. He is a legal expert, an avid, all around sportsman and an enthusiastic skier. He has been active in PVS since its inception. The Nominating Committee also selected Dick Harsh, Doris Hege and Bruce Harstad for the three ExCom posts that will be vacated in April. There will be a fourth ExCom post vacated if Brooke is elected to the presidency. Billie Pease is the Nominating Committee's choice for this vacancy. There is a fifth candidate for the ExCom job -- Russ Kinaman who tossed his hat in the ring at the last meeting. TOOT, of course, endorses the whole slate.

Dick King, writing from tropical Saigon, calls TOOT's attention to page 50 of the January 1967 issue of Skier which reads:

"Potomac Valley Skiers, founded in November of 1965, not only requires that its members demonstrate a basic ability to ski but also that they manifest a genuine desire to be of service to the sport, especially its organized aspects."

PVS thanks editor Enzo Serafini for his kindness.

During its March skiing trip to Utah, the PVS delegation tried to rent a nine-passenger station wagon to provide transportation to the many area slopes for its seven members. No such wagon was available. Avis, however, tried harder. It provided our intrepid skiers with an eight door, Checker, airport type limousine, gayly trimmed with the red, blue and grey of Gray Line Tours. This eminently satisfactory, though somewhat formidable and garish, vehicle was sitting in its usual overnight parking place across from Park City's Chateau Apres when it was noticed by a California guest awaiting his group's transportation to Salt Lake City's railroad station. "Was it," asked a companion, "their expected vehicle?" The reply, overheard by a member of the PVS group, was: "No. That belongs to that rich Washington bunch. Boy, those guys know how to travel. They've got a Gray Line limousine and driver to take them anywhere they want to go." Fellow members will be pleased to know that this impressive vehicle cost the alleged "caviar-for-lunch bunch" ~~less than \$20 each for eight days' use and 583 miles of transportation.~~

The Tuckerman's Ravine trip is still on, we presume, and Dick Harsh will tell us more about this event at next Wednesday's (PVS) meeting.
