### MEMBERSHIP ...

A notice regarding USEASA's dues fees -- In the last TOOT, we announced that Eastern's dues structure was \$3.00 for members from a 100% club and \$1.00 for spouse membership. Eastern has corrected PVS and reports that their dues (since May 1968) are now \$4.00 for members from a 100% club and \$2.00 for spouse membership. What this means to you is: If you join another club and have paid Eastern dues with PVS, you can subtract \$4.00 Eastern dues and \$2.00 spouse dues.

Our budding thespian in Provincetown, Massachusetts (Penny Sayre) has sent in her renewal. We look forward to joining Penny on winter trips to Boston and New England. Penny's address will be included in our new mailing list.

Other long distance membership renewals are Keith and Sue Lyons (Frankfurt, Germany) and Russ and Lilo Kinaman from Wayne, Pennsylvania. We miss these good friends who have left our shorelines, but we look forward to renewing these contacts at the next possible opportunity. Our best wishes to all these good friends.

**DON'T FORGET - EVERY MEMBER BRING A GUEST!**

At the August meeting, we were honored and saddened to have E. P. and Meg Anderson attend their last PVS meeting as residents of this area. To mark their departure and move West to Denver, Colorado, to assume their position as Executive Vice President with USSA, PVS made them both honorary members of PVS and presented them with a beautiful plaque made by our artist Nancy Monacelli and with a small silver tray bearing the PVS emblem. TOOT and all PVS members wish E. P. and Meg a safe and bon voyage.
