EXCUSE US !!!

The December Toot is a little late getting out. However, we managed to reach most of the membership by phone to remind them of the Christmas Part at the Wiederhold's. We all enjoyed a great evening -- thanks to Mike and Penny. By the way, Max, to the Club's liquid assets add two gallons of red wine!

WINE AND CHEESE

Thanks to Hank Thomas and Aina Hertelis for making the wine and cheese party run so smoothly. Thirty-two PVSers and guests had a very tasty evening.

RETURN TO WISP - JAN 11 - 13

The same lodge has been reserved as last year. There are 10 spaces remaining. The estimated cost is \$12-14 for lodging, two breakfasts, and one dinner. Call Gerry/Sandie Deighton - 424-5707 for reservations. Before you know, the trip will be here --

BLUE KNOW WEEKEND - JAN 25-27

Chalet for 20 people -- \$16 per person which covers lodging. Food price will be kept as low as possible. MUST have sleeping bags. This is an opportunity to try out for the Amateur Ski Instructions Test.

Call Penny - 657-8863.

GASOLINE PROBLEMS

Driving to and from Wisp or Blue Knob should cause no gas problem if we plan ahead. Fill up before trip and car pooling.....

ON THE SLOPES AT SUTTON

Interested in renting a chalet by the week at Sutton? It's brand new, 3 bedrooms, sleeps 6-8 people. Almost right at the base of the slopes at Sutton, Quebec. Kirk Burns would like to make it available to PVS before turning it over to the rental agent. Kirk's phone: Home: 256-4443 Office: 686-2148

Kirk also adds that if a group of from 8 to 16 people are interested (perhaps 2 chalets) in a week at Sutton in January or February, he would lead a trip.

Not only is Sutton a great ski area, it's our answer to the fuel shortage. The chalets are right there at the slopes so no car is needed. So ----- call Kirk if interested.

JANUARY POT LUCK

A committee is being organized for the January 15 POT LUCK DINNER. We'll need volunteers for the preparation of hot dishes, salads and desserts.....and if you can't cook, bring wine, bread, butter, coffee, etc., etc., etc. We want this year's POT LUCK to be as much of a success as it was last year. Start thinking NOW of what you would like to contribute. The next issue of "TOOT" will have the names of those on the committee with whom to get in touch.

THINK SNOW -- IT'S HERE !!!
