NOW FOR THE DIRECTIONS!!!

Riverside is a 3-building highrise complex in Alexandria just south of the beltway on the west side of U.S. Rt. 1. From the beltway use Exit 1 S marked Rt. 1 South to Fort Belvoir. Either go to the second light on Rt. 1 and turn right or just before the 1st light angle off to the right onto Fort Hunt Road. Follow your nose to the southern most of the highrises. You can't miss it. However, if you do, call the desk at Aina's - 768-1300. The party room is located on the ground floor just across the breezeway from the lobby entrance to the building. Q.A.S.I. TEST

A Qualified Amateur Ski Instructor (QASI) Test Program has been scheduled for Blue Knob Ski Area on 26/27 January and 2/3 February 1974.

If you are a reasonably good parallel skier and have a sincere interest in instruction then this represents a sensational opportunity for you to:

- Update your skiing technique
- Become a qualified amateur instructor
- Win the coveted red triangle pin
- Take the first step toward becoming a certified professional ski instructor

The test is the same as the Pros take only the scale of grading is lower.

If you would like to take the test and also participate in the dryland and on-the-snow clinics which will get you "warmed-up" for the test, write to:

LIMBERING UP

Skiing will soon be here and we don't want to see any ski accidents. Limber up those muscles and be ready for the skiing. There's biking and lots of good trails for hiking close by. Get together with some of the hiking clubs or get some of your tired friends out on the weekends -- Limber up those limbs !!!
